45th Parallel Vodka wins Double Gold at the 2014 San Francisco World Spirits Competition

Local Distillery wins prestigious award in world spirits competition

April 11, 2014 – New Richmond, WI -

New Richmond, Wisconsin's 45th Parallel Distillery was awarded the Double Gold Medal at the San Francisco World Spirits Competition this spring for the flagship spirit 45th Parallel Artisan Premium Vodka.

The Double Gold at the San Francisco World Spirit Competition is not the first award for 45th Parallel Vodka. Most notably starting in 2009 the Spirit Journal began giving 45th Parallel Vodka the 5 star highest recommendation rating.

The Western Wisconsin award winning Vodka is distilled from locally grown and harvested grain on a six generation family farm located 8 miles down the road from the distillery. The farm enters the equation with a reputation of producing the region's most consistent high quality crops.

Though the Distillery's whiskeys (Border Bourbon and New Richmond Rye) receive most of the attention lately, 45th Parallel Distillery is committed to producing a truly world class vodka.

45th Parallel products are currently distributed throughout Wisconsin and Minnesota.
